

PRIVACY POLICY

Last updated: August 28, 2019

Biwabit ('we' or 'us' or 'our') respects the privacy of our users ('users' or 'you'). This Privacy Policy explains how we collect, use, disclose and protect your information when you visit our mobile application ('Application') or our website biwabit.com, iot.biwabit.com, kitang.web.app (collectively, 'Site'). Please read this Privacy Policy carefully. **IF YOU DO NOT AGREE TO THESE PRIVACY POLICY TERMS, DO NOT ACCESS THE APPLICATION.**

We reserve the right to make changes to this Privacy Policy at any time and for any reason. We will notify you of any changes by updating the 'Last updated' date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed about updates. You will be deemed to have known, will be subject to, and will be deemed to have accepted changes in the revised Privacy Policy by continuing to use your Application after the date the revised Privacy Policy was posted.

This Privacy Policy does not apply to third party online / mobile stores where you install the Application or make payments, including virtual items in the game, which can also collect and use data about you. We are not responsible for any data collected by these third parties.

YOUR INFORMATION COLLECTION

We can collect information about you in various ways. The information we collect through the Application depends on the content and material you use, and includes:

Personal data

We collect and store all personal information associated with your Application profile, which you voluntarily provide to us both when registering or through continuing to use the Application:

- First and last name
- Nickname
- Email address
- Birthdays
- Demographic location
- Time zone
- Photos uploaded

Derivative Data and Media Uploaded

Information collected by our server automatically when you access the Application, such as your original actions that are an integral part of the Application, actions taken when making entries, editing entries, and uploading media to the App. Therefore, we may also request access to your device's photo roll or camera so we can upload your media to the Application. Any media uploaded this way will be collected and stored on our server. If you want to change our access or permissions, you can do that in your device's settings.

Facebook permission

The application can - if you choose to log in with Facebook - access your basic Facebook account information, including name, email, gender, date of birth, current city, and **PRIVACY POLICY**

The URL of the profile picture, as well as other information that you choose to publish. We can also request access to other permissions related to your account, such as friends, check-ins, and likes, and you can choose to grant or deny our access to each individual permission. For more information about Facebook permissions, see the Facebook Permission Reference page.

Data From Social Networks

User information from social networking sites, such as Facebook, including your name, your social network user name, location, gender, date of birth, email address, profile picture, and public data for contacts, if you connect your account to that social network. This information may also include contact information for anyone you invite to use and / or join the Application.

Geo-Location Information

We may request access or permission to and track location-based information from your mobile device, either on an ongoing basis or when you use the Application, to provide location-based services. If you want to change our access or permissions, you can do that in your device's settings.

Cellular Access

We can request access or permission to certain features from your mobile device, including reminders of your mobile device, and other features. If you want to change our access or permissions, you can do that in your device's settings.

Mobile Device Data

Device information such as your mobile ID number, model, and manufacturer, version of your operating system, telephone number, country, location, and all other data you choose to provide.

Push Notification

We may request to send push notifications about your account or application. If you want to opt out of receiving this type of communication, you can turn it off in your device's settings.

Data from Contests, Prizes and Surveys

Personal and other information that you can provide when entering a contest or prize and / or responding to a survey.

USE YOUR INFORMATION

Having accurate information about you allows us to give you a smooth, efficient and special experience. Specifically, we may use information collected about you through the Application to:

- Create a personal profile about you to make future visits to the Application more personal.
- Monitor and analyze usage and trends to improve your experience with the Application.
- Notifying you about updates to the Application or Site.
- Ask for feedback and contact you about your use of the Application.
- To improve our website and products (we continuously strive to improve Reflectly and website based on your feedback)
- We can periodically send promotional emails about new products, special offers or other information that we think you might be interested in using the email address you provided.

We will also ask you to link your iTunes Account, ApplePay Account or Google Play Account with our Application if you want to buy one of our Premium subscriptions. This does not give us access to your credit card or banking information, but is needed so we can process your purchase / subscription.

DISCLOSURE YOUR INFORMATION

We may share information we collect about you in certain situations. Your information can be disclosed as follows:

We will not sell, distribute or rent your personal information to unrelated third parties unless we have your permission or are required by law to do so. We may need to send your personal information to our third party vendors, who are under contractual obligations to maintain the confidentiality of this information. We may also use your personal information to send you promotional information about third parties which we believe is of interest to you if you tell us that you want this to happen. Finally, if we have ever sold Biwabit, or participated in a merger or consolidation, and our User data is one of the assets involved in the sale, your personal information will be part of this sale or transfer.

We may also disclose your personal information:

- To comply with any court, legal or legal process, including responding to government requests or any regulations.
- To enforce or apply our Terms of Use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property or security of Biwabit, our customers or others. This may include exchanging information with other companies and organizations for the purpose of fraud protection and credit risk reduction.

TRACING TECHNOLOGY

Cookies and Web Beacons

We may use cookies, web beacons, tracking pixels and other tracking technologies in the App to help customize the App and improve your experience. For more information about how we use cookies, please refer to our Cookie Policy posted on the App, which is included in this Privacy Policy. By using the Application, you agree to be bound by our Cookie Policy.

Website Analysis

We can also partner with selected third-party vendors, such as Google Analytics, Firebase Analytics, Facebook Business Manager, to enable tracking technology and remarketing services in the App through the use of first-party cookies and third-party cookies, to, among other things, analyze and track usage Application by users, determine the popularity of certain content, and better understand online activities. By accessing our Application or Site, you agree to the collection and use of your information by these third party vendors. You are encouraged to do it

review their privacy policy and contact them directly to respond to your questions. We do not transfer personal information to these third party vendors. However, if you don't want any information to be collected and used by tracking technology,

You can visit a third party vendor or the Advertising Network Initiative Opt-out Tool or the Digital Advertising Alliance Opt-Out Tool.

You should be aware that getting a new computer, installing a new browser, updating an existing browser, or deleting or changing a browser cookie file You can also delete cookies, plug-ins, or certain opt-out settings.

THIRD PARTY WEBSITE

Applications can contain links to third-party websites and interesting applications, including advertisements and external services, which are not affiliated with us. After you use this link to leave the Application, any information that you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the security and privacy of your information. Before visiting and providing any information to any third party website, you must inform yourself of the privacy policies and practices (if any) of the third party responsible for the website, and must take the steps necessary to , in your judgment, protects the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Application.

You must be careful and look at the privacy statement that applies to the website in question.

YOUR INFORMATION SECURITY

We use administrative, technical and physical security measures to help protect your personal information. Although we have taken reasonable steps to secure the personal information that you provide to us, please note that despite our efforts, no security measures are perfect or impenetrable, and no data transmission method can be guaranteed against interception or other types of abuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

CHILDREN UNDER AGE 13

Our services are not intended for children under 13 years. No person under the age of 13 can provide any personal information to, or on, the Website. We do not knowingly collect personal information from children under 13 years. If you are under 13 years of age, do not use or provide any information on this Website, or on or through any of its features / functionality, make purchases through the Website, use any of the interactive or public commenting features that may be available on the Site This website, or provide information about yourself to us, including you name, address, telephone number, email address or screen name or user name that you can use.

If we find out that we have collected or received personal information from a child under 13 without verification of parental consent, we will delete that information. If you believe we have information from or about a child under 13, please contact us at contact@biwabit.com.

CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems include a Do-Not-Track ('DNT') feature or setting that you can activate to signal your privacy preferences so that you don't have data about your online search activities that are monitored and collected. There is no uniform technological standard for recognizing and implementing DNT signals. As such, we currently do not respond to DNT browser signals or other mechanisms that automatically communicate your choice not to be tracked online. If standards for online tracking are adopted that we must follow in the future, we will notify you of these practices in the revised version of this Privacy Policy.

OPTIONS ABOUT YOUR INFORMATION

Account Information

You can review and change your personal information by logging into your profile through the website or application and visiting your account profile page or settings page.

You can also send us an email at contact@biwabits.com to request access to, correct or delete the personal information that you have provided to us. We may not be able to delete your personal information except by also deleting your user account. We also cannot accommodate requests to change information if we believe the change will violate any law or legal requirements, or cause the information to be incorrect.

At your request to terminate your account, we will deactivate or delete your account and information from our active database. However, some information can be stored in file to prevent fraud, solve problems, assist with investigations, enforce our Terms of Use and / or comply with legal requirements.

When we receive a termination or deletion request, all data deemed unimportant for the cases described above, will be kept for a maximum of 30 days during which period we will ensure complete deletion of that data from all databases and backups.

Email and Communication

If you no longer wish to receive our correspondence, e-mail or other communications, you can opt out by:

- Contact us using the contact information provided below.
- Click the opt-out button at the bottom of any promotional e-mail you are receive.

If you no longer wish to receive correspondence, e-mail or other communications from third parties, you are responsible for contacting third parties directly.

NOTICE FOR USERS OF EUROPEAN ECONOMIC AREAS

If you visit and use Services from the European Economic Area ('EEA'), please note that you send information (including personal data) to the United States where our partner platform servers are located. Our partners and / or staff who operate outside the EEA can process this information. The information can then be transferred in the United States or out of the United States to other countries outside your country of residence, depending on the type of information and how we store it. These countries (including the United States) may not need to have comprehensive or protective data protection laws such as those in your country of residence; however, The collection, storage and use of your personal data will always be governed by this Privacy Policy.

BY PROVIDING YOUR PERSONAL INFORMATION TO YOU, YOU EXPRESSLY AGREE TO TRANSFER YOUR PERSONAL INFORMATION OUTSIDE THE EEA, AND FOR PROCESSING YOUR INFORMATION IN THE US, PURPOSE OF THIS PRIVACY POLICY.

YOUR AGREEMENT

By using our site or application, you agree to our privacy policy.
